PACKAGES AND SINGLE LESSONS:

Ten-week Opus blocks or five-week Album blocks may start at any time during the year. Single lessons are booked and paid for in advance. Lessons are not held on State or National Public Holidays; however, it is possible to reschedule. To receive all your lessons, singers are encouraged to attend the make-up classes offered.

ONLINE LESSONS:

Online lessons are available via Zoom, and we will email you a link and single-use password for each session. At times, internet connection can be erratic. We will do our best to ensure you receive the full lesson.

IN-STUDIO LESSONS – WHAT TO BRING:

Please bring a recording device, print music, backing tracks, studio notebook, bottled water and anything else for your lesson to run smoothly. You are invited to record your lesson and encouraged to listen to the recording at least once between lessons to help consolidate your training. **Parents and/or care persons of singers under 16 years of age are responsible for arranging timely transport.**

TERMS OF ENROLMENT:

- Fees are to be paid in full before the start of each block of lessons.
- *Opus* 10-week package must be completed within a 12-week period. This allows for 2 makeup lessons within the block.
- *Album* 5-week package must be completed within 7 weeks. This allows for 2 makeup lessons within the block.
- To discontinue lessons, we require notice three weeks before your final lesson.
- I encourage ongoing lessons to deepen your musical and vocal progression. Therefore, enrolment is ongoing, and you will be reminded when your block is coming to an end.
- NO REFUNDS are given for missed lessons.

MISSED LESSONS:

- If you need to reschedule a lesson due to illness, at least 24 hours' notice must be given.
- For planned events, two weeks' notice must be given.
- A make-up lesson will be scheduled as long as we receive the required notice. Without this notice, the total fee for that lesson will be forfeited.
- A maximum of two makeup lessons per block will be provided.

ACCOMPANISTS, MUSIC PRODUCTION

The studio offers an extensive network of accompanists and we can assist you in finding an accompanist who is the right fit for you. We can also connect you with other music and production collaborators in our network. Fees and provision of time for accompanists is your responsibility.

CONCERTS

Regular studio concerts, held both online and in person, are photographed. Videos and recordings may be taken for use by singers and the studio. Please inform Kathleen if you do not wish to have any record of your singing at these functions. Unless otherwise indicated, you agree to allow Kathleen Connell Singing Studio to use photographs or video footage of students for reasons of improving coaching methods and for promotional purposes.
